# LIGHTNING REVIEWS – ORBS

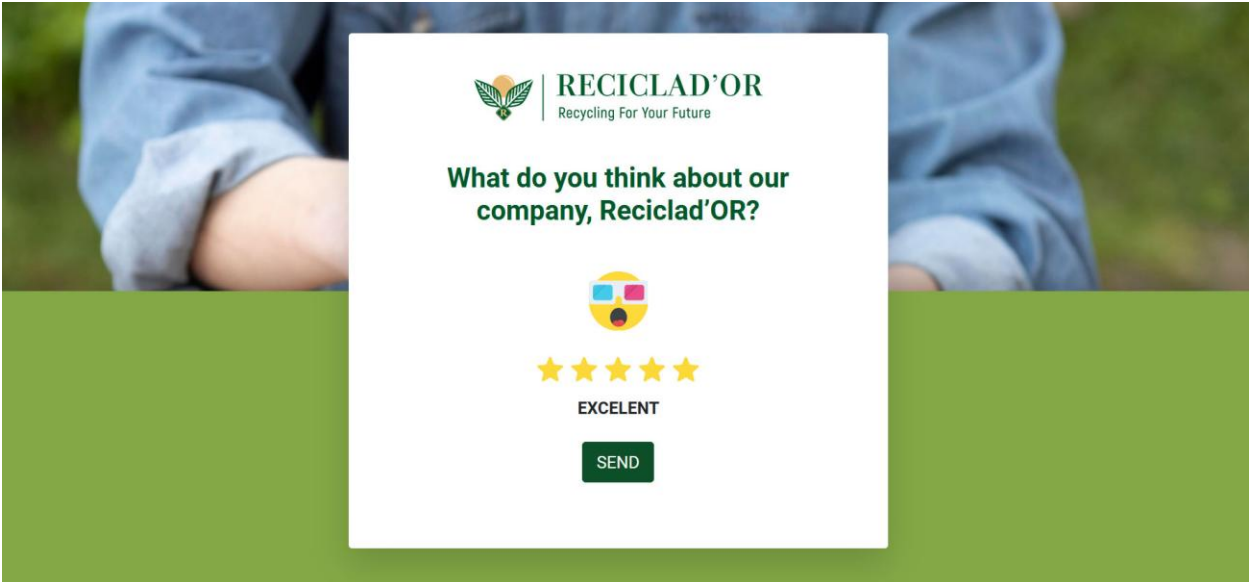

Organic Reviews Booster System

Clients are directed to enter on a Feedback page, located on the company server.

This is how it looks

When the client is selecting 1, 2, 3, 4, 5 stars, the smiley changes

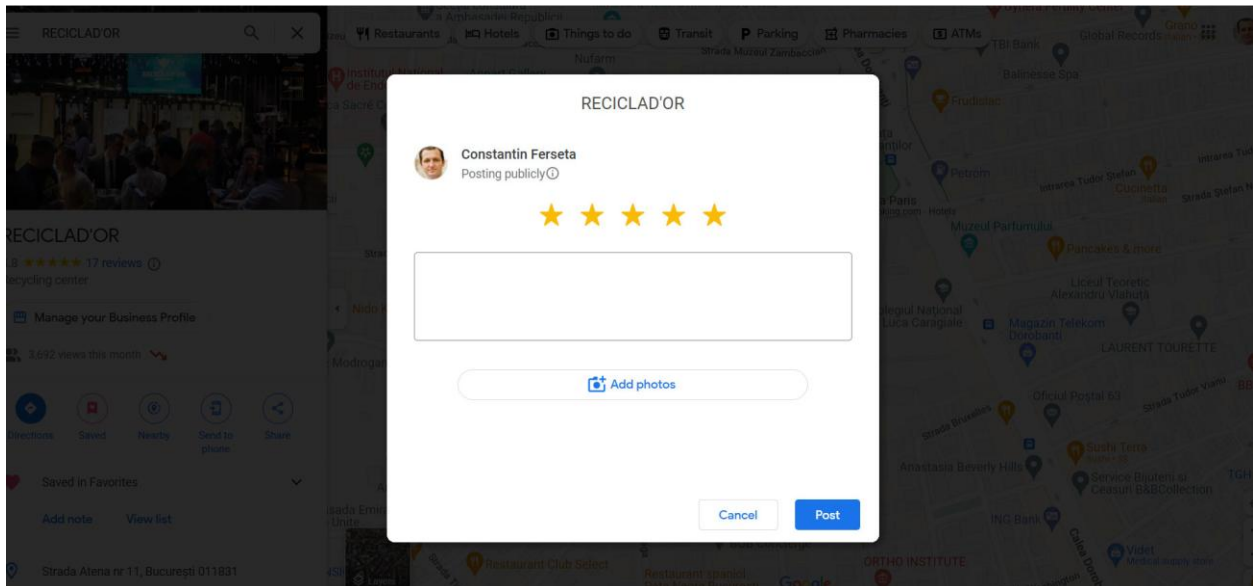

When press SEND, a small modal pop-up will appear, saying “Thank you for your feedback. We would really like if you could give us a 5\* rating on Google/Facebook/Yelp/..... You will be redirected in 5 seconds automatically”

So, after 5 seconds, the client is redirected automatically to either Google Business Review, either Facebook link reviews, either Yelp link review.

Because he already provided a good rating, it will be highly probable that will give again a positive review here. Mission accomplished!

If clients choose 1, 2 or 3 stars, he will see a SEND FEEDBACK Button
